Dear Students,

Listening is the ability to accurately receive and interpret messages in the communication process. Listening is key to all effective communication. So we are glad to inform you that our school Literary Club is conducting a competition to promote listening skill in students.

The students have to listen the audio and video stories send from school. You are requested to see and listen the audio and video and attend the Quiz which will be send through google classroom on 10th September 2021 at 7 p.m.
